ISM-Wichita Chapter What We Do:

Monthly Meetings

Every month meetings are held with guest speakers at various sites around Wichita. These are great opportunities to **network** with fellow supply chain professionals, ask for help to **learn** about sourcing, and just have a **good time!**

Industry Benchmark Tours

Throughout the year ISM-Wichita visits different local companies to learn about their factories and supply chain networks with a focus on **applied best practices.**

Education

Once a year ISM-Wichita hosts a day long training event for learning about new application and best practices in the supply chain field. Past topics have included: *Project Management, Economic and Labor Forecasts for Kansas and the Region, Trucking Automation and many more!* **Come Join us this March 21, 2024 at WSU!**

Certification

Our certifications are the most recognized in the industry and will teach you how to **increase your ROI** through better sourcing!

CPSM - Certified Professional in Supply Management

CPSD - Certified Professional in Supplier Diversity
